Welcome

The Illinois Ready Mixed Concrete Association (IRMCA) is a non-profit trade organization representing Illinois ready mix producers, suppliers and contractors and accomplishing as an organization common goals that cannot be met individually. IRMCA strives to be the voice of the ready mix industry in Illinois and to ceaselessly promote the increased use of high quality, durable concrete within the state. This brochure is a concise representation of our many Association activities and the numerous advantages of IRMCA membership. I encourage you to contact myself or any of the staff with questions. Thank you for showing interest in the Illinois Ready Mixed Concrete Association.

Illinois Ready Mixed Concrete Association

Working together to create value, teach excellence and produce quality.

Membership Advantages

Education & Training
New product and technique training, technical seminars for members and their customers, conventions, webinars, mailings and more are offered.

Safety & Environmental
Committee involvement with OSHA and EPA allows IRMCA to monitor activity and give industry input and has resulted in IRMCA producing widely accepted procedure manuals.

Promotion
Advocating the advantages of ready mix concrete, full and part-time promoters reach decision makers throughout Illinois and are available to assist IRMCA members with their promotion efforts.

Political Affairs
Association lobbyists champion pro-industry legislation, as well as update members on important issues and encourage their involvement.

Technical Assistance
IRMCA technical consultants are available to members. Additionally, the technical committee meets regularly with IDOT and others to further the goals of the industry.

Certification
IRMCA locally sponsors the National Ready Mixed Concrete Association's *Pervious Concrete Contractor Certification* program.

Scholarship Support
IRMCA annually awards scholarships to Illinois students studying civil engineering at Illinois universities. Selectively, graduate study scholarships and summer internships are offered.

Website
The Association continually develops its website to offer timely industry news, product information, links to organizations world-wide, downloads and more.

Association Publications
IRMCA publishes a widely distributed and comprehensive membership directory, a biannual legislative directory, quarterly newsletters and numerous special issue promotion and procedural publications, many of which have received national attention.

Annual Events
Annually members have the opportunity to attend the Short Course, Annual Convention, Promotion Meeting and Scholarship Golf Outing. Additionally, other meetings are scheduled as needed.
