Category C (annual production less than 250,000 cubic yards):

CalPortland – Central Coast Division
Conewago Ready Mix
Dolese Bros. Co. – Tulsa Division

The criteria for this award were established by NRMCA’s Research Engineering and Standards Committee to recognize the commitment to quality of NRMCA member companies. Companies applied either as a single entity or a division within a company and responded to a multiple-choice type application form that generated their scores; a minimum score of 75% with supporting validation qualified a company to receive an award.

Founded in 1930, the National Ready Mixed Concrete Association is the leading industry advocate. Our mission is to provide exceptional value for our members by responsibly representing and serving the entire ready mixed concrete industry through leadership, promotion, education and partnering to ensure ready mixed concrete is the building material of choice.
