

Mike Ward Bio

Mike has over 25 years of experience in the Asphalt and Concrete Pavement project management field since joining The Rabine Group in 1994 working with the Prep and Paving teams. Mike leads teams in establishing work scope, project budgets, oversees all essential field employees, as well as construction schedules, to ensure that all projects contracted with Rabine Paving are completed on time, within budget and to the highest quality available in the industry. Mike began his career in construction at the age of 16 when he began working with all the field crews on weekends and during summer vacation. At 21 he became General Foreman for paving crews and from there rose through the ranks to general superintendent in 2005. In April of 2015 he was promoted to Operations Manager, Rabine Paving. Strategic Project management skills with a 15+ year history of consistently completing projects on time and on budget. Experienced estimator, able to identify and solve design issues working with all stakeholders to deliver our clients World Class Pavements. US Army Corp of engineers, continued Industry knowledge training, OSHA, Project Management PMP.
