Happy Retirement Elizabeth!

At the end of May 2021, Fritz-Pak celebrated the retirement of our Office Manager, Elizabeth Ming. She is the 4th person to ever retire from Fritz-Pak! Elizabeth started working with Fritz-Pak 18 years ago, and from day one proved herself to be a vital member of the team. Her retirement party was filled with lots of memories, laughter, and more than a few tears - as she will be greatly missed around the office. Elizabeth's plans for her retirement include traveling and spending time with friends and family.

Elizabeth spent much of her last few months at Fritz-Pak helping train her replacement, Mary Espinoza. We are excited to work with

Around the Industry: Concrete History Lesson

Our friends over at DecoCrete Supply recently documented their visit to the oldest concrete road in the United States! Check out this super fascinating video to learn about the history of concrete in America.
