iStrada® Timekeeping Reports and QR Clock-In for Drivers Streamlines Payroll For Concrete Producers

Timekeeping is a critical part of any Concrete Ready-Mix operation. A well-designed timekeeping system is the foundation for effective payroll. **iStrada** helps streamline payroll by tracking Break Time, Overtime, PTO (paid time off), UTO (unpaid time off) using an extensive set of timekeeping reporting tools and 1 step, QR code clock-in process for Reay-Mix drivers.

iStrada Clock-In Video Tutorial

Drivers can use a simple QR code on their mobile devices to clock in and clock out to start and end their workday. As an added value, all hourly employees can also clock in and out using QR codes using a public station (PC or tablet). Comprehensive payroll reports generated by iStrada make tracking employee hours much easier. save time, money, and resources. **iStrada's Timekeeping comes FREE** when you purchase iStrada GPS and Paperless Ticketing modules.
